Child Carers

ELTHAM College Kids - Melbourne City is seeking expressions of interest from qualified/experienced child carers who are interested in joining its team located in Collins St.

We offer an early learning and care environment that is supportive, caring and team orientated and are always looking for motivated, dedicated, nurturing and professional educators to join our team.

We have a philosophy that focuses on the child as an individual, who is respected & capable. With care at the forefront of our philosophy we can then ensure the child can explore and learn through play.
