ELTHAM College

ELTHAM College is a Registered Provider CRICOS No 00138D
Set on 50 hectares, approximately 40 minutes from Melbourne CBD, ELTHAM College offers a picturesque and natural setting. Situated on the crest of a hill, views offer a display of Australia’s endless blue skies.
With abundant sporting facilities, ELTHAM College students develop mind and body.
Exceptional teachers are the foundation of academic achievement. Here Principal Simon Le Plastrier leads a discussion with Year 11 philosophers.
Technology supports learning, connecting ELTHAM College to the global community and encouraging extended learning and research skills.
The ELTHAM College Music and Performance Centre opened in August 2014. A suite of purpose built facilities, from recording studios to private tutorial rooms support students’ pursuit of the Creative Arts.
The Senior School Science building houses classrooms dedicated to the study of Biology, Chemistry, Physics and Psychology.
LifeWork advisors meet regularly with students from Year 9 level onwards to explore career and university options. With in-depth tertiary sector knowledge, LifeWork advisers are equipped to discuss university course options and prerequisite subjects. ELTHAM College students are guided in goal setting to achieve their career of choice.
Artists flourish at ELTHAM under the guidance of experienced art practitioners. Creativity is developed through design, photography, media, film and fine art.
English Pathways and Australian Perspectives are subjects especially designed for International Students.

English Pathways - interactive and designed to improve communication and study skills in order to prepare students for senior schooling. In addition to improving everyday communication skills, students will be introduced to the language they will encounter in various mainstream subjects.

Australian Perspectives - learning Australian society and culture through both on-campus classes and extended out-of-school activities.
The Senior School Library offers sanctuary for quiet study, reading and group work.
The Homestay Program supports ELTHAM College’s international student community. Thoughtful placement, based on the student’s own preference, ensures an environment that supports academic studies and the exploration of Australia and its culture.
Swipers Gully Vineyard and Restaurant is a working restaurant – staffed by students. By day, Middle School students run the café, while by night, Senior School hospitality students offer a fine dining experience.
