These costs are subject to change without notice.

Living Expenses

Cost of living expenses for transport, entertainment, casual clothing and personal items are applicable. A rough estimate is \$150 - \$200 AUD per week. The student's family is responsible for payment of phone charges.

Tutoring

Any tutoring required and agreed to by you will be invoiced on a fortnightly basis.

Payment of Fees

School fees are charged in 4 instalments. Invoices are issued two weeks before each term begins. Payment is due before the first day of term. An administrative fee of \$50 is payable when payment is fourteen days overdue. Penalty interest is applied in accordance with the Penalty Interest Rate Act 1983, currently 10% per annum.

The equivalent of two terms' tuition is paid on acceptance of a place. One term's fees are held as a fee bond, and one term's fees prepay the first term of study. The fee bond is refundable when the student ends their enrolment at the College. At this time, when there are no outstanding invoices, the bond is refunded. Students leaving at the end of the academic year receive the refund by December of that year.

Refund Policy

1. Confirmed place cancelled prior to start date

The following is refunded: The Fee bond (equivalent to one term's fees), Entrance fee, Membership of ELTHAM College Company fee, Homestay Bond (if applicable) and Overseas Student Health Cover payment. **Please be aware that should a confirmed place not proceed, you will not receive a refund of the first term's prepaid tuition fees unless the reason for not proceeding is that the student visa is refused.**

2. Student visa refused, confirmed place cancelled prior to start date

The following is refunded: The Fee bond (equivalent to one term's fees), Entrance fee, Tuition fees paid in advance (one term's fees), ELTHAM College Company Membership fee, Homestay Bond (if applicable) and Overseas Health Cover payment.

3. Refund after a student has started the course (College unable to provide the course)

In the unlikely event that ELTHAM College can no longer provide the course, a partial refund of unexpended pre-paid tuition fees, and fee bond, (including Homestay Bond if applicable) will be made within two weeks of the day on which the course ceased being provided.

Refund of course money relates to payments made directly by the student/parent or collected by education agents on behalf of the College. The Student Acceptance form (agreement), and the availability of complaints and appeals processes, do not remove the right of the student to take action under Australia's consumer protection laws. All claims for a refund must be made in writing clearly identifying the reason for the refund and must include supporting evidence where appropriate. The date of notification of the request or refund is the date the request is received by ELTHAM College. All refunds will be made payable to the applicant in Australian dollars and will be finalised within four weeks of the written application.
