COURSES

These are some of the areas of study our 2017 graduates are pursuing. The size of each word indicates the popularity.

Congratulations to Clarence Wei, who accepted a place at the University College London, studying a Bachelor of Arts, majoring in Geography. University College London is the third largest university in the United Kingdom and is consistently placed highly in global university rankings. Clarence has subsequently been offered a place at the National University of Singapore (NUS), studying Social Sciences majoring in Geography. NUS is ranked consistently as one of the world's top universities, offering the most extensive college degree courses in Singapore.

"The seasons of Melbourne are always interchanging, but in our school, it is always warm. It is the warmth which flows from people's hearts. International students at ELTHAM College are equipped with opportunities and challenges that cultivate our universal knowledge and enhance our international capabilities."

– 2017 graduate, Yuchong (Clarence) Wei
